

Elementary and Secondary Wildlife Display Reporting Form

According to Virginia wildlife regulation, 4VAC14-290-60, elementary and secondary schools must provide the Virginia Department of Wildlife Resources a list of any native or naturalized wildlife species being displayed in the classroom within 48 hours of the animal being placed on display. Please refer to the Wildlife in the Classroom document to see if your organism needs to be reported.

For questions, please email Courtney Hallacher, Wildlife Education Coordinator, at courtney.hallacher@dwr.virginia.gov

Please fill in the information below and email this form to collectionpermits@dwr.virginia.gov

Name of School: _____

Address: _____
